Week 7 Term 2

Tuesday 11th June 2013

Principal's Message

Dear parents,

I hope everyone had a safe and happy long weekend. It was a busy end to the week working with the P&C last Friday in the canteen at the PSSA Athletics Carnival. The group of parents and staff worked feverishly all day feeding the many hungry students and parents. It was a great effort by the P&C and many thanks must go to Louise, Erika, Tracey, Lee and Sue for not only their work prior to the day but for the whole day spent in the canteen. Thanks also to Mrs Karen D, Miss Lucy H, Mrs Marlene B and Mrs Kate F for their untiring work during the day. It was a fantastic team effort. I look forward to seeing the final amount the P&C raised.

Semester 1 Reports

The Semester 1 reports are due out in two weeks (Wednesday 26th June). Staff have been working overtime to assess and gather information about your child's achievements over the past semester. I applaud the dedication of the staff during this busy time that whilst continuing to teach, they are also spending time outside the classroom writing reports. A big thank you must go to the executive who support the staff in providing editing and help during this busy period.

Bimbi Preschool

As always Bimbi is a very busy place. Recently we have been able to introduce some exciting new technology for the children. The first piece is an Interactive Whiteboard (IWB) that will allow Mrs Longmore, staff and the children to explore many exciting new learning opportunities with access to the wonderful world of the internet. The additional technology available to the preschool will be a set of 10 ipads. The funding for these came from the Early Action for Success strategy (EAS) in which the preschool has been asked to pilot a study of early numeracy skills of preschool students by utilizing a custom made app. This is a great opportunity for the staff and children of Bimbi.

Wagga PSSA Athletics

Congratulations to all the students who represented Tolland last week. Mr Pitchford was impressed with all the students' performances and the great sportsmanship they displayed on the day. Thank you to Mrs Vani Tuinakavadra and Mr Steve McDonald for acting as Team Manager and marshal on the day.

Great Teachers Lead the Way - ASG Inspirational Teacher Awards

The Australian Scholarships Group (ASG) formed the National Excellence in Teaching Awards (NEiTA) Foundation in 1994 to promote public recognition of inspirational educators and leaders in Australian and New Zealand schools and early childhood centres. The ASG NEiTA Awards for Inspirational Educators is the only national community-centred teaching awards program that gives parents, secondary students, early childhood and school communities the opportunity to formally thank their hard-working and inspirational educators and leaders. Does your child have an inspirational teacher? Nominate him or her now for the Australian Scholarships Group (ASG) Teacher Awards – 2013 presented by NEiTA (National Excellence in Teaching Awards). Nomination forms are available from NEiTA on freecall 1800 624 487 or nominate online at www.neita.com.au Closing date 29 July 2013.

Have a great week.

4-6F Classroom News

This term, 4-6F have been learning about Antarctica. We have located Antarctica on a world map and learnt about glaciers, ice-packs, famous explorers such as Ernest Shackleton and some of the interesting facts about the country. In the next few weeks we will discuss the climate and why Antarctica is so important.

Here is some of our artwork depicting a man walking between glaciers in Antarctica and the other is of the famous boat the "Endurance" which Ernest Shackleton used on his journey to Antarctica. Mr Fealy

PSSA Athletics Carnival

Last Friday, 23 students from Tolland PS competed in a variety of events at the Wagga PSSA Athletics Carnival. They participated with pride and spirit in the bleak weather. The results will be known later this week to see who will participate at the next level. Thanks to the parents who braved the conditions and supported the children. Thanks to combined team managers, Tony and Vani who did a magnificent job directing students to their events.
