Lost Property Box

If you have any missing items please come and check the blue lost property boxes which are kept in the front foyer.

This week Stage 1 are learning to be organised. They are learning to remember what they have to do by using timetables and rules.

IMPORTANT NOTICE

Students are not permitted to enter or leave the school grounds via the staff car park unless accompanied by an adult.

HEAD LICE has reared its itchy & ugly head once more. This is a problem for many students in all schools.

Please check your child's hair regularly and treat if required.

REMINDER

Principal's Message

Dear parents,
It is an exciting week at school this week as public schools across NSW celebrate Education Week. This is an opportunity for us to showcase the plethora of programs, activities and learning opportunities that both public education and Tolland Public School provide. The highlight is always wandering around the school displays and particularly looking at the great work on display from our own students. I would strongly encourage you to take the opportunity to visit the Marketplace and see the great work on display this week.

Education Week Activities

Please take time to celebrate with students this week and participate in one of the many activities on offer. Today at the Wagga Marketplace, over 100 students from K-2, 3-4 Choir and the Primary Dance Group will be performing from **10.15am**. On Wednesday we invite parents and friends to the Open Classroom from 12.30pm; Education Week Assembly at 1.00pm and community BBQ at 1.30pm. The staff and students look forward to sharing these activities with our parents and friends. If you haven't already indicated if you are staying for the BBQ please do so as this will help with catering. Don't forget the BBQ is a gold coin donation and drinks will be available for sale from the canteen.

Life Education Van (Healthy Harold)

On Thursday this week, we again begin our annual visit with Healthy Harold. It is great to have Harold back to work with the students promoting healthy lifestyle choices and how to use the internet safely and sensibly. If you haven't already paid your \$2 participation fee, please bring it in by Thursday.

HOW2Learn

HOW2Learn is a regional initiative that focuses on strengthening a learning culture in schools. This year our staff has been engaging in Professional Learning that builds their capacity to help students become better learners. At Tolland PS, our HOW2Learn strategy:

- ⇒ Is integrated into our daily classroom routines and practices
 - ⇒ Increases each student's ability to learn independently inside and outside school
 - ⇒ Focuses on developing learning habits such as perseverance, noticing, managing distractions and getting in the 'flow' of learning
 - ⇒ Reinforces our Positive Behaviour for Learning (PBL) whole-school initiative
- We are all very excited to be working together to ensure that every student at Tolland Public School becomes a confident and successful learner for the 21st century.

Kindergarten 2014

If you have a child who will turn five by 31st July 2014, your child is eligible to enrol in Kindergarten for next year. Enrolments are now being taken. If your child is not attending Bimbi Preschool, please come to the office to collect enrolment information. If you know any parents of pre-schoolers living in our area who might be starting school next year, please tell them to contact the school to discuss their child's enrolment.

Have a great week.

4-6F News

Last term 5/6F learnt about Antarctica. We learnt why it is an important continent, where it's located on a world map and some interesting facts about it. This term we are learning about the human body. In weeks 1 and 2 we focused on the skeletal system, looking at a variety of bones and some interesting facts. We are now focussing on muscles!

Here are some pictures of the students with some of our artwork on Antarctica and our paper mache skulls.
