Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents,
On Wednesday 10th December, students who have consistently displayed our school values will travel to Junee to celebrate their efforts over the year. The day will involve a range of water based activities. To ensure the utmost safety, all students will be put through a swimming suitability assessment before the activities start. This will determine their swimming ability and also which pools they have access to and the different activities planned. Students will be given coloured wrist bands to wear to also assist staff in making sure students are in the correct areas. As an additional safety measure, all staff will be travelling to Junee to ensure the student/teacher ratios are small and there is adequate supervision both in and out for the pool. As such **no supervision will be provided at the school**. If you decide your child will not participate in the reward day, then you will not be able to send your child to school and you will need to make alternate arrangements. The preschool will operate as normal, but only for preschool aged children.

Mount Austin HS Orientation Day

Yesterday Year 6 students attended Mount Austin High School for their orientation day. By all accounts the students enjoyed the day and behaved appropriately. Parents also had the opportunity to attend an information session in the school hall on Wednesday evening. This was a great opportunity to find out about the school and its many academic and extra-curricular programs. The transition to high school is always an exciting, and sometimes daunting, experience. These taster days provide opportunities for the students to learn more about the school and the staff and how the school operates.

Captain Speeches

Last Thursday the Year 5 nominees for 2015 School Captains and Councillors had the opportunity to deliver their speeches. It was wonderful to see parents and family members of the Year 5 nominees attend to show their support. Following the speeches staff and students in Years 2-5 had the opportunity to vote. Best of luck to all of the nominees – we certainly have plenty of worthy candidates to choose from. The 2015 School Captains will be announced at Presentation Day on Thursday 11th December. We also voted for House Captains and these students will also be announced at Presentation Day.

Volunteers Morning Tea

Today staff hosted our annual Volunteers' Morning Tea. This was an opportunity for the staff to say an enormous thank you to all the volunteers that work within our school and provide so many wonderful opportunities for the students. We certainly would not be able to offer the programs and opportunities we do without their support.

2014 Student Reports

Student reports will be sent home next Thursday 11th December. If any families require two reports due to living arrangements, please contact the office by Friday 6th December.

Have a great week.

Learning for all in the Library

It has been an exhilarating learning journey in the Library this semester.

Children from all classes have been engaged in research into things that affect their everyday lives. From the impact of Afghan Cameleers on the development of the outback, to exploring the many different beliefs of people from many different cultures, the Library is the source for building a wider knowledge of the outside world.

The Library is also a safe haven from the noise and robust life on the playground with many children choosing to sit and play quiet games at lunchtime.

Presentation Day

Family and Friends are invited to attend the Tolland Public School student Presentation Day on:

Thursday 11th December 2014.

Infants assembly at 10.00am

followed by

Primary at 12.00pm.

We look forward to celebrating your child/childrens' achievements with you on the day.
