Dear parents,

Our 2014 School Leadership Team was officially inducted last Thursday at a formal assembly. Parents, family and friends were there to see badges presented to the five school leaders, as well as the Sports House Captains and Vice-Captains and Yr 6 monitors. Tolland Public is very proud of all the children who have been chosen to represent our school.

Voluntary Contributions

Voluntary school contributions go directly to supporting your child's education. These funds help with the cost of providing resources such as classroom text books and equipment provided to the children. Fees this year have been set at \$35 for 1 child and \$60 for a family. Contributions will be greatly appreciated.

Attendance

Attendance of children at school is extremely important. It is vital for children to be at school every day so they learn the skills to be successful in later life and enjoy the social, cultural and sporting activities that are enjoyed by all children. School Attendance is a major school, regional and state target in 2014. **The school attendance target for Tolland Public School of all children K-6 in 2014 is 92%.** To achieve this target it is important for children to be at school every day. If children are unable to attend school for any reason, a note must be supplied to the classroom teacher or a verbal notification either by phone or face to face must be made to either the classroom teacher or staff in the front office.

School Name Change – Red Hill Public School

Currently our application for the school name change is with our Director, Mrs Anne Nolan. There is quite a procedure to follow. Once this application comes back as endorsed, the application is then forwarded to the Deputy Director General for consideration and if endorsed, forwarded to the Minister for his consideration. I will keep you up to date with the progress.

Congratulations

A fantastic effort by Tabua T in being selected to represent Wagga at the upcoming Riverina PSSA Tennis Tournament. We wish her all the best for the tournament.

Have a great week.

Matthew Gray

PBL Relaunch Day

Last Friday students across the school were involved in celebrating the past 12 months of our Positive Behaviour for Learning program. To honour the day, students participated in a number of activities in peer groups. These activities included fruit salad using the school values, towers, bookmark making, playground design and the sunglasses game in which students made positive comments about their peers. During these activities, students demonstrated our three school values Respect, Care and Co-operation and Responsibility. To conclude the celebration, students watched a photostory of our PBL journey throughout the past year. This was followed by a ceremony in which the Respect, Responsibility and Care and Co-operation cakes were cut to celebrate our recent accomplishments.
