Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear Parents,

Our first term of the school year is drawing to a close. All children have settled well into the new school year and have shown an eagerness for learning at school. We thank you for your support in many ways, be it having children at school on time, helping with homework or reinforcing our school values with your child on a daily basis.

Harmony Day

Last Friday 21st March we celebrated Harmony Day. All children were invited to wear orange and lots of healthy orange food was available at our canteen. Classes took part in craft activities and cut out cardboard hands were decorated for display. Mr Crittenden read the very popular book "Whoever you Are" by Mem Fox to all at our weekly assembly and reinforced the theme of different people and cultures living in Harmony

Athletics Carnival

Next Wednesday April 2nd our athletics carnival will be held at Jubilee Park. All Primary students have been practising for their track and field events during weekly sport sessions. The emphasis is on participation and we urge all students to be prepared to "have a go" and have fun. A sausage sizzle is being organised by the P & C. Orders can still be taken until tomorrow, Friday. Infants children will attend the carnival and take part in the age races before returning to school. Come along and lend your support.

3 - Way interviews

Interviews will take place during the next 2 weeks. The children are looking forward to showing work samples and talking about their learning to you. It is a wonderful opportunity for parents to share and have a good snapshot of what is happening at school.

1 / 2 EJ News

1/2EJ has enjoyed exploring fairy tales during term 1. They have completed some beautiful artworks of characters from stories we have read which help make our classroom colourful and inviting. They have worked together to complete reading tasks and their writing pieces display skill and imagination.

‘Close the Gap’ Day

Last Thursday the councillors (Captains and Prefects) went to Ashmont Public School for ‘Close the Gap’ day. The most important thing was for Indigenous families to get regular health checks and to stay fit and healthy.

We enjoyed the dances that were performed by Mount Austin High School students and Ashmont Public School students. We would like to thank Miss Jackie and Mrs Close for providing transport on the day. We had a really good time.
