Go4Fun®: Free for Students at your School

Go4Fun® is a free, after school, healthy lifestyle program that supports children, who are above a healthy weight, to become fitter, healthier and happier. This fun and interactive program is funded by NSW Health and delivered through Murrumbidgee Local Health District using local providers. The aim is to support children 7-13 years old and their families to adopt a long lasting healthy approach to life.

Go4Fun® is an internationally recognised, evidenced based program that has achieved the following outcomes;

- Improved self-esteem
- Children report being fitter, happier and healthier
- Lifelong healthy habits are created for the entire family

Please contact Jasmin Segar, Program Manager, Ph 0424365758 if you have any further questions or would like more information

Week 1 Term 2

Thursday 1st May 2014

Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents,

Welcome back to term 2. I hope everyone had an enjoyable and relaxing Easter break. I know the staff have come back invigorated after the break and spent a great first day back focusing on student learning

Anzac Day

A very big thank you to our school leaders who represented Tolland Public School during the 2014 Anzac march and service held at the Victory Memorial gardens. Our leaders marched with pride and respect while our school captains Danika H and Tabua T laid a wreath.

Staff

We welcome to our staff Mrs Melissa Barnes for the remainder of the year on 3-4P. Mr Pitchford was successful in gaining a permanent position at Lake Albert Public School. We thank him for all his hard work and dedication over the last five years and wish him all the best at Lake Albert Public School.

Opportunity Class - Year 5 2015

Opportunity classes cater for highly achieving, academically gifted students who may otherwise be isolated from a suitable peer group. These classes can provide intellectual stimulation by grouping gifted and talented students together, concentrating school resources and using specialised teaching methods. Students are offered places in opportunity classes by a selection committee which considers all available information. Students in Year 4 will receive an Intention to Apply notification with todays newsletter which includes details of how to apply for this class.

Stewart House

Stewart House donation envelopes are going home with the newsletter today. Please place a \$2 coin in the envelope and return to school before Friday 9th May 2014. This puts you in a draw to win a holiday valued at \$4,000.

Enjoy your first week back!

English as a Second Language Students

Last term Tolland Public School welcomed two new students, all the way from Pakistan! Fatema (5/6C) and Zarah (1/2C) arrived at our school speaking very little English. Both girls are making terrific progress with their learning and are now able to communicate with their peers and teachers. It is wonderful to watch how inviting and accepting the students at Tolland Public have been to these girls. It has certainly made their transition to an Australian school one to remember.

PBL NEWS

Our PBL launch for 2014 took place early last term. One of the activities for each class was to decorate two squares of fabric. These have been placed together to make a wallhanging for our foyer. Thank you to Mrs Levett for the 'final touches' and to Anna Gannon for assembling the wall hanging. Please have a look next time you are visiting our school.

Reward Day

Our playground reward system has been so successful that we have reached the next red line on our Reward box. Next Friday 9th May, the children will take part in a fun sports session as a reward for demonstrating our values in the playground. The children will take part in novelty races and events during the middle session. This will be followed by a special lunch.
