Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents,  
Four of our school leaders this week were given the opportunity to attend the LEAP Leadership Training at Charles Sturt University along with other leaders from local schools. Tabua, Danica, Tahlia and Olivia learnt things such as you do not need to wear a badge to be a leader, age is not a barrier to being a leader and each person brings a different approach to leadership.

[National Data Collection](#)

In the near future, parents of some Tolland Public School students will receive information in relation to a National Survey of Disability. The purpose of this survey is to accurately identify the nature and range of disability displayed by students in our school, to allow for future support and funding. No such national database currently exists. We encourage you to return the permission note to help ensure the data capture is an accurate one.

[Staff Development Days](#)

Each year it is a requirement that all government schools include staff development days. These days provide us with the opportunity to make local decisions about the training required for our school staff. This year our school will have the next of the planned professional learning days on Monday July 14th (Term 3 Day 1). On this day our school will cover using the Literacy and Numeracy continuums. At the end of the year there are 2 school development days identified for 18th and 19th December - the last 2 days of Term 4. One of these (19<sup>th</sup> December) has been rescheduled for the weekend of the 26<sup>th</sup> July. School for students will end as usual on the 17th December.

[Working With Children Check](#)

Recently we have been asked to update our child protection procedures. In the past, volunteers simply filled in a form that was kept at school. In an effort to further protect students, the state government has now instituted a computer generated process. All new staff and regular volunteers are now requested not to complete the paper based forms, but to complete the new computer generated form. This is a short process and there is no cost to volunteers and lasts for 5 years. To complete the on-line application, please use the following link: <http://www.kids.nsw.gov.au/Working-with-children/New-Working-with-Children-Check/New-Working-with-Children-Check>  
If you have difficulty accessing the link or access to a computer, please see the admin staff Lynn, Cindy or Robyn.

[Outdoor Chess Board](#)

As we continue to develop our outdoor areas within the school, our latest venture is the installation of our outdoor chess board. The former area was normally a dust bowl in the summer and muddy in the winter. With the magic touch from Mr Harriott, we now have another great playing area for the students. Mrs Dombrovski will be keen to teach any student who may be interested in learning chess. Check out the before and after photos!

Have a great week.

Matthew Gray.

9th June	Queens Birthday long weekend

# K/1B Class News

K/1B is fortunate to have Mrs Kellie Noske with us for five weeks. Mrs Noske is a third year Education student from Charles Sturt University. She has settled into our class environment well and is developing a great rapport with the students. We are looking forward to learning together during her time with us.

## PBL NEWS

This week Stage 3 are learning about 'self-respect'. They are discovering that 'self-respect' is liking and accepting yourself and believing you matter. If you have 'self-respect' you take care of yourself and protect yourself from harm.

## Mortimer Shield

On Tuesday 20<sup>th</sup> May Tolland Public students from Years 4, 5 and 6 represented the school in one of the biggest school carnivals in NSW. With over 600 students at Parramore Park yesterday, the Tolland boys played 3 games of Rugby League against Mount Austin, South Wagga and Turvey Park. The boys started really well in their first game winning 10-0. Their second game was a much tougher assignment in South Wagga. The boys lost but tried hard all game. In the final game of the day the boys lost a close encounter to Turvey Park but again showed great courage.

The girls were playing Austag at the carnival and they also made a strong start to the day with a 2-1 victory over Mount Austin. In their second game the girls played Henschke and again showed off their amazing skill levels winning the game 6-1 and putting them on top of their pool and into a final. The winner of this final would progress to the next round of matches in the coming weeks. The girls played against South Wagga who were very strong at Austag. The game was very close with it only being 1-0 until late in the game. Unfortunately the girls ended up losing 3-0 but never gave up and did themselves and Tolland proud.

Congratulations to Olivia who was named Player's Player for the girls team and Jonty was Player's Player for the boys.

A huge thankyou to Miss Dee who trained and coached the girls. Without her help and support this day would not have run as smoothly as it did. The girls loved having her as their coach. A special thankyou to the parents who took photos and helped transport all the students to and from the carnival.

It was great to see all the support for the two teams with parents, grandparents, brothers and sisters and family friends all there to cheer on the teams.

Mitch Fealy
