Week 9 Term 2

Thursday 26th June 2014

Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of
Aboriginal people in our community.

Dear parents,

All great things must come to an end and so we enjoy the last week of Term 2. It is an appropriate moment to look back at a term filled with many great learning opportunities in the classroom and a range of exciting excursions and incursions. It has been so pleasing to watch the students participate so enthusiastically this term. Our term ended with Mark Saddler, a local Indigenous performer, immersing students K-6 in both song and dance. By all accounts the students thoroughly enjoyed their time with Mark.

Semester 1 Reports

Semester 1 reports go home today with your child. This report is a representation of the knowledge and skills they have demonstrated over the past two terms. Please read the reports and talk with your child about the sorts of things they have been involved with in their learning. If you have any questions about the report, please contact your child's teacher to organise a time to speak with them.

School Development Day Term 3

Our next School Development Day is going to be held on Monday 14th July. Staff will continue with their focus on developing their understanding and application of the Literacy and Numeracy continuums. These help staff to plot children against expected levels of progression/development. **Please note that children do not return to school until Tuesday 15th July.**

I would like to wish everyone a very safe and happy holiday. I hope the students have the opportunity to have a good rest and return after the holidays refreshed and ready for another exciting term. Mrs Joycelan Williams is returning to school after the holidays. Thank you to Mr Scott who provided many great learning opportunities for the students during her leave. We also wish Mrs Kate Fox a safe and happy holiday. She is heading overseas for 5 weeks. Mrs Margaret Ness will be filling in for her during this time.

2-30 Class News

2-40 have been going to horse riding lessons for one hour per week this year. The students have their own horse and a volunteer to help them. They are focusing on developing their communication skills, listening skills, fine and gross motor skills and boosting their self- esteem. Each student works towards controlling their horse and eventually riding independently. Some of their favourite activities are trotting, doing tricks, getting the flags and playing the “Stop and Go” game.

This week Stage One are learning how to bounce back from being sick or injured. They have been talking about what they can do to bounce back and who can help them bounce back after an illness or injury.

P&C REMINDER

If you would like raffle ticket books please return permission note to the front office by the end of Term 2.

ABORIGINAL CULTURAL LEARNING PROGRAM

On Wednesday 25th June, Mark Saddler visited our school and spoke to us about Aboriginal culture and history. His presentation was informative and interactive. In the words of one kinder child, “It was awesome!”
