School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents,

Last week was certainly a colourful week at Tolland Public School. It was wonderful to see so many students (and staff) dressing up last Wednesday to celebrate Book week at TPS. We had Willy Wonka, Hairy Maclary, Gumby and Oscar the Grouch, just to name a few, walking around our playground. I was amazed at the range of costumes and the imagination that had been used by many in putting these costumes together. The students had a wonderful time celebrating Book Week. Thank you to all the parents and friends who enjoyed attending our Book Week assembly.

SASS Recognition Week

Next week is School Administrative and Support Staff Recognition Week in NSW public schools. It's a chance to honour the contribution to children that our 16,000 staff who do administrative and support work in school offices, classrooms, libraries, labs, farms and school grounds every day. SASS keep our schools ticking over. To the permanent, temporary and casual SASS staff at Tolland: Lynn, Cindy, Robyn M, Jackie, Di T, Cheryl, Jeanette, Karen, Mandy, Rose, Dee, Di L, Rachel, Louise, Prue, Robyn C, Harry, Jessica and Natalie - thank you for all you do and for being such an important part of our school.

Prescribed Medications

When a medical practitioner has prescribed medication that must be administered during the school day, parents are responsible for:

- Bringing this need to the attention of the school
- Ensuring that the information is updated if it changes
- Sup-plying the medication and any 'consumables' necessary for its administration in a timely way (eg. epipen, asthma ventilators, specific snacks pertaining to hypos such as jelly beans)
- Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication.

Parents of children who require prescribed medication to be administered at school must complete a written request. The school will provide the form to the parent. Students must not carry medications unless there is a written agreement between the school and the student's parents that this is a planned part of the student's health care support. In general, schools do not administer medication which has not been specifically requested by a medical practitioner for an individual student for a specific condition.

Over the next few weeks...

As always, it is busy time at Tolland with a range of activities planned over the next few weeks. These include:

- Stage 3 visit to Riverina Environmental Education Centre (REEC) in Week 9
- Stage 3 excursion to Canberra on the 9th and 10th September
- Stage 2 visit to Riverina Environmental Education Centre (REEC) in Week 9
- Yr. 6 Taster Day at MAHS

Thank you to all the staff who take the time to organise these extra activities.

Have a great week

Library News

In the Library over the year we have been engaged in a wide variety of learning activities. In Science and Technology we investigated what makes bread rise and the different tastes and textures of bread. We also explored how to make a circuit, how electrons flow in a circuit and made a circuit tester to investigate what materials best conduct electricity.

Whilst listening to and reading new books in the Library we looked at how an author positions the reader to engage with the text. The children created craft works associated with the books *The Treasure Box*, *Kissed by the Moon*, *Silver Buttons* and many more fascinating stories.

School News

Kindergarten 2015

If you have a child who will turn five by 31st July 2015, you are eligible to enrol that child in Kindergarten for next year. These enrolments are now being taken. If your child is not attending Bimbi Preschool please come to the office to collect enrolment information. If you know of any parents of pre-schoolers living in the area who might be starting school next year, please tell them to contact the school to discuss their child's enrolment.

Lost Property

Our lost property bin is overflowing with items. Please check if your children have any missing clothing.
