# Bimbi Preschool News

At Bimbi we have been adding lots of sustainable resources and practices to our program. We grow our own vegetables and earlier this term we harvested a cauliflower and made cauliflower soup. It was yummy, thanks Loretta for the recipe.

Our new guinea pigs love to eat our lettuce and parsley and some of our lunchbox scraps. Thank you to Sharon G and Bobs Birds and Pets for donating a large bag of straw for the guinea pigs.

Our worms love our scraps too. However the guinea pigs and worms can't eat all our scraps so last week we added a compost bin.

This week we have painted some Styrofoam boxes to create our own mini vegetable gardens and Harry delivered our new water tank too, thanks Harry!

## Kindergarten 2015

If you have a child who will turn five by 31st July 2015, you are eligible to enrol that child in Kindergarten for next year. These enrolments are now being taken. If your child is not attending Bimbi Preschool please come to the office to collect enrolment information. If you know of any parents of pre-schoolers living in the area who might be starting school next year, please tell them to contact the school to discuss their child's enrolment.

## Verse Speaking

The K/1 and Yr. 1/2 Verse speaking choirs will be performing at our whole school assembly on Wednesday September 17th.

Unfortunately due to such a busy term we are withdrawing from the Eisteddfod. We look forward to seeing everyone at the whole school assembly.
