

SEPTEMBER 2015

Bimbi news

It's hard to believe that we are at the end of the term already. We have had such a busy term and the children continue to develop their skills every day. During the last few weeks we have celebrated Book Week, attended the school Mini-fete and Maddie did our hair for Crazy Hair Day.

In Term 4 Tiffany will be the teacher for PS2 while Sally remains the teacher for PS1.

Next term we will spend time at 'big' school getting ready for Kindergarten.

We are currently taking enrolments for preschool next year so if you or anyone you know has a child turning 4 by the 31st July 2016 see the staff at the office for a proposed enrolment form.

Don't forget holidays start this week, PS1 return on Tuesday October 6 and PS2 on Thursday October 8.

Happy holidays everyone!

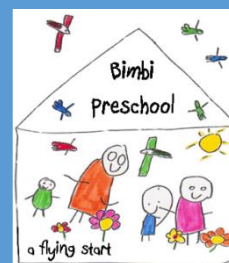

PS1 enjoying a story

Update on our projects

Our transition DVD is currently being edited, we have seen an initial draft and it looks great. Thanks to everyone who has allowed us to film them, especially Sheree Woods and Maxine Tak. Please make sure that

Bimbi Preschool Newsletter

TERM 3

you have signed the media consent form.

This term we have employed Elaine Sullivan, a local artist. She will be exploring art from around the world. We are also going to participate in some cultural dance celebrating different cultures.

Self-portraits with Elaine

Next term we will start preparing for our Celebration Day on November 12 2015. We would love to share a collection of photos, stories and art from preschoolers over the last 10 years so if you or anyone you know can help please bring in your photos or stories.

Sasha and Nathan playing together during transition experiences.

Do you like our crazy hair?

WISHLIST

To help us with our art projects we would appreciate donations of:

- Cardboard milk cartons of any size
- Cardboard boxes of all sizes-eg. sandwich bag boxes, biscuit and snack pack boxes, tissue boxes
- Paper towel and glad wrap/tin foil rolls (note health regulations prevent us from accepting toilet paper rolls).

Healthy Kids

We had a visit from Natalie from Munch and Move, a government initiative promoting healthy eating and physical activity. They have lots of ideas for healthy lifestyles- we will offer some of these throughout term 4.

You can visit the website for more ideas:

www.health.gov.au

Family Information Session

When we receive the final draft of our Transition DVD, we will have an information session so that everyone can have a look before we confirm and order our DVD. We will let you know when that will be as soon as we know.

Afternoon tea will be provided.

Myles had *Show And Tell* about the pet worms that he found in his back yard after he dug a big hole in the ground. Myles made a big mess in the back yard looking for worms.

Elvis asked Myles; 'How long did it take you to find the worms'?

Myles said; 'It took ages to find the worms'.

Anika asked Myles; 'Was it easy to find the worms'?

Myles said; 'No it was very hard to find the worms'.

Grayden asked Myles; 'How many holes did it take to find the worms'?

Myles said; 'I dug about 4 big holes to find some worms'.

Blake asked Myles; 'Was it fun to look for worms'?

Myles said; 'It was very fun and messy, but I have some worms for my pets now'.

Early Years Learning Framework Learning Outcome 5.2: Children engage with a range of texts and gain meaning from these texts.
