School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents

It is a very exciting day today as the P&C and staff prepare for the fete this afternoon. After many, many months of planning, it is now time for the whole school community to enjoy this great event. The P&C have ensured that there will be something for everyone with a range of stalls including White Elephant, face painting, hair and nail stalls and plenty of food from the canteen. There are also rides and a jumping castle. We hope you can join us for a great afternoon and support our P&C and students at the same time.

Coding at Tolland

Earlier in the week I had the opportunity to visit 5/6F in the Library working with Mr Fryer. This term the students have been learning how to code (using a program called Scratch). Their challenge is to build a lego machine and then program (code) the machine to move around. Watching the students working collaboratively together was amazing and listening to the way they had to problem-solve on the run was really exciting. Some of the students also have the opportunity to attend a robotics class at Mount Austin HS every Tuesday for a masterclass in coding.

Kindergarten 2017 Parent Information Sessions

Information sessions for parents of children commencing Kindergarten in 2017 will be held in the Library on Wednesday 23rd November. We encourage all parents to come along to hear important information to assist in a successful transition to Kindergarten in 2017.

Narrandera Swim Reward Day

On Wednesday 14th December, we are holding our final reward day for the year at the Narrandera Lake Talbot complex. This is a chance to acknowledge those students who have displayed our school values of Respect, Responsibility and Care and Co-operation. The school has subsidised part of the total, making the cost for the day only \$10.00. This includes the bus trip and entry to the pool. Please make sure you pay by the due date so the students can enjoy a fabulous day.

Have a great week.

3-4B CLASS NEWS

3/4B have been conducting inquiry based learning in Science this term. Students investigated our current playground and decided they could design a more exciting area to play in. Through creativity and collaboration students worked together to design and make a model playground suited to our school.

They collected data from their peers, and considered the needs of students in the school. The process started by sketching their ideas, creating a design criteria and using a variety of materials to represent their ideas. Thank you to all the parents who brought in materials to help us create our amazing models.

Do you know of any families that may not know about our Bimbi Preschool ?

We are now taking enrolments for Bimbi Preschool students for 2017.

Please phone 6931 1263 or call into the Tolland Public School office for further information.

Friday 2nd December

Children will be assigned a specific country and dress up in the colours of their national flag on the day. The canteen will have specific country based foods all of Week 8 to support this day, with a special lunch order option for the Friday. More Information to follow.

Fancy Nancy

This term in K-2N and 1-4M the students have studied a unit of work on the Fancy Nancy book collection by Jane O'Connor. To celebrate the end of our unit of work we had a Fancy Nancy dress up party where the students wore their fanciest outfits and completed some special activities including decorating bow ties and painting our nails!
