## School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear families

All great things must come to an end and so we enjoy the last week of Term 2. It is an appropriate moment to look back at a term filled with many great learning opportunities in the classroom and a range of exciting excursions and incursions. It has been so pleasing to watch the students participate so enthusiastically this term.

### NAIDOC Celebrations

This week we have participated in NAIDOC Week celebrations. These are held across Australia each year to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support our local Aboriginal and Torres Strait Islander communities. The students have enjoyed a range of activities including our football day with support from Clontarf students at Mount Austin HS, cooking Johnnie cakes with our own Master Chef, Miss Jenny Martin, and today, the opening of our Indigenous gardens and enjoying our visiting artist Marcus Corowa. Thank you to Mr Mitch Fealy, Mrs Kath Harriott, Miss Jackie and members of the Aboriginal Education Committee who organised so many fantastic activities this week.

### Semester 1 Attendance and Levels Assembly

At our assembly this week we acknowledged those children who had **100% attendance in Semester 1**. Overall there were 29 children who received a certificate for 100% attendance for the semester. This is an outstanding achievement. Congratulations to all students who received a levels award today for continually displaying our values of Respect, Responsibility and Care and Co-operation.

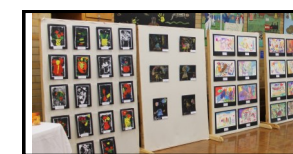

### Enrolments for 2017

As we approach the second half of the year, we begin to make plans for our incoming 2017 Kindergarten students and, in particular, our school transition processes. If you intend to enrol a Kindergarten student for next year, or know of someone that will be, please ensure enrolments are placed via the school office as soon as possible. Enrolment forms are available in the school office.

I hope all staff, students and their families have a safe and happy holiday and I look forward to seeing everyone back in Term 3. Please remember the first day for students is Tuesday 19<sup>th</sup> July.

Warm regards.

Matthew Gray

# Drawn Together

Last Thursday, Tolland Public School presented *Drawn Together*, an art exhibition featuring works by students, staff and the community. The school hall was transformed into a gallery with a variety of art such as wire sculptures, watercolour paintings, canvas and print-making being displayed.

For the past two terms, Tolland Public School has employed an 'Artist in Residence' who has been providing professional development and support to staff to develop their skills in the Key Learning Area of Visual Arts.

The name of the exhibition, *Drawn Together* was born because the school wanted to give students, staff and the wider community a platform to showcase their artworks. The exhibition gave the students an opportunity to view and appreciate different forms of art and the added thrill to see their work being admired by many.

Thank you to everyone who attended our art exhibition. It was wonderful to see the school community taking the time to appreciate the time, effort and skill of all the artists involved in the event.
