Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear families

It is now only three weeks until our art show, *Drawn Together*, opens. The students are busily putting the finishing touches to their art works in preparation for the show. We would encourage any artists amongst our school community to consider submitting an artwork for the show. We have already had a number of staff and community members indicate they will be submitting works. Below are a collection of some of the students' artworks.

School Supervision

With the colder weather arriving, please note that it is very, very cold in the playground for your children if they are dropped at school early. Students should not be in the playground before 8.40 am unless arriving by bus.

Semester 1 Reports

Over the next few weeks, teachers will be writing Semester One student reports. These reports provide parents with a snapshot of their child's individual progress and achievement to date and plans for future learning opportunities. Reports will be sent home in Week 10 on Wednesday 29th June.

Communication with Parents

With so many activities and events happening at school, we provide a range of ways to communicate with families. These include our weekly newsletter, school website calendar (with newsletter attached), notes, assembly announcements and our school app. If you haven't already done so, please download our Tiqbiz app to your smartphone or iPad to stay updated with what's happening at Tolland Public School. All you need to do is search the Apple app store or Android store for Tiqbiz and download our free app.

NAIDOC Week Celebrations

The Aboriginal Education Committee have been busily planning a great week of activities for NAIDOC week in the last week of school this term. The week will include art, Indigenous games, visits from Clontarf staff and students, cooking and dance. One of the main events will be the official opening of the Indigenous Garden and Outdoor Learning Area. This area has been a long time in the planning and development stage and it is exciting that it will be recognised during NAIDOC Week. We look forward to families and friends joining us on this special day.

Have a great week.

S

5/6 P are doing some great things in the classroom. We are doing an author study of Roald Dahl and reading some of his books during literacy time. Our class has been focusing during Maths lessons on the differences between 24 hour and analog clocks as well as digital time. We are also doing daily times table challenges to build our knowledge of multiplication facts. Our artworks are amazing and we are looking forward to sharing them with you at our school Art Show.

A BIG THANK YOU to all students and staff who supported all activities during Australia's Biggest Morning Tea. We raised \$441.65 in total.

Also a **BIG THANK YOU** to Mrs Inglis and the SRC representatives for decorating the cupcakes. Great effort and well done!

Mortimer Shield

On Thursday 19th May Tolland Public School participated in the annual Mortimer Shield Competition which involved boys playing rugby league and girls playing league-tag.

The boys had a successful day, playing three games. Their first game was played against Mater Dei Primary School. This was a tough game for the boys who battled hard, going down 22-4 with a great team try to TJ W from a cross-field kick. In their second game, Tolland played Sturt Public School. Here the boys showed off their great running, stepping and tackling ability, winning 14-4 with a great try to Maleek T and a double to Leroy C. In their final game, they played Lutheran Primary School which turned out to be a tough game for the boys, losing 24-0.

The girls had a very successful day, playing in three high quality games of Aus-tag football. In their first game, they played Ashmont Public School, which they won 6-1. In their second game, the girls came up against a strong South Wagga Public outfit. The girls unfortunately lost 4-1. In their final game, the girls played Henschke Primary School. Again the girls showed off their skills to win this game convincingly 7-2.

A special thank you to Louise Vonarx who coached the girls team on the day and to all the parents and supporters who came along to watch some great footy throughout the day.

Mr Fealy

STAGE 2 & 3 EXCURSION HAS BEEN POSTPONED.

The Stage 2 & 3 excursion to the Riverina Environmental Education Centre has been postponed and rescheduled for Term 3.

A new permission note will be issued and sent home early in Term 3.
