There will be lots of fun activities which will cost from 20c - \$1.00 each.

Our target this year	Attendance last week	Attendance this year
92%	88.64%	91.9%

Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear families,

The weeks continue to fly past quickly with so many exciting learning and cultural opportunities for the students. Yr 6 students attended Mount Austin HS to spend half a day as part of their transition to high school. They engaged in a range of activities that will help them become more familiar with routines and activities in a high school. It was pleasing to hear the positive comments from many of the staff at Mount Austin about the student’s attitude and behaviour.

School Values

Our school values of **Respect, Responsibility and Care and Co-operation** are a framework for all learning and activities that take place within the school. These values also extend to all our parents and other community members when they are on our school site. Recently, there have been a number of incidences where parents have either reprimanded a student who is not their own or have behaved inappropriately towards each other. Instances such as these are never tolerated as they do not provide positive examples of how to behave or solve problems. As principal, I have the authority under the Inclosed Land Act to restrict or deny access to any member of our school community who does not follow our school values. I ask for the support of all parents and community members in this matter.

Dance Concert

With the end of term only a few weeks away, classes are working hard to perfect their dances and work on their moves. I have had the opportunity to pop in to a few practices and also watch dance routines filmed on an ipad. The students are certainly working well with Emily Tokley to create a fabulous show. Our Dance Concert finale will be held on Thursday 22nd September beginning at 12.00pm in the school hall.

School Uniform/Hats

With the weather slowly changing, it is important to ensure that your child’s summer uniform will still fit them at the start of Term 4. It is important that all students wear the correct uniform each day as this helps to build a sense of identity and pride in our school. We are also asking that all students (and staff) now begin to wear a hat each day as the days become warmer. We are a Sun Safe school and this is part of our school policy. Hats are available at the school office for only \$6. Please help to support us by ensuring that your child has their hat at school.

Have a great week.

22nd September	Dance Concert 12.00pm
23rd September	Last Day Term 3
10th October	Students Return Term 4
26th-27th October	Year 5/6 Canberra Excursion  Ongiong payments required

# Year 3/4 Borambola Excursion

## Stage 2- Borambola

On Friday the 2nd of September, Stage 2 travelled by bus out to Borambola Sport and Recreation Centre. When we arrived we were split into two groups- Batman and Spiderman. We visited the 'Shoe-permarket' on our way to our activities to borrow old shoes that could get wet.

We had two outdoor activities- archery and kayaking. Some of our Stage 2 friends had a great eye for archery, with many hitting their target with all three arrows!

Kayaking was definitely the most popular activity that day! Everyone got their own kayak, paddle and personal flotation device. At first, we just got to paddle around the billabong, trying not to get stuck on the banks or bump into anyone. Once we got more confident, we played tips and red rover crossover.

After lunch, we played a lot of indoor games with a new group leader, Gus. We enjoyed these games a lot and will try and remember them to play at school.

Even though it was freezing, we had a great day out at Borambola!

Sophie- My favourite was kayaking, it was fun!

Connor- Kayaking was the best, we played 'tips'.

Charlotte and Kelissa- We liked kayaking because we kept bumping into everyone!

## Seeking Committee Members

As part of our School Plan, under our strategic direction of 'Connecting and Collaborating with Community, we would like to set up an Indigenous Parent Advisory Committee (IPAC).

The aim of the committee is to build a stronger relationship between Indigenous parents and the school to inform all involved of up-coming Indigenous events and strengthen our knowledge of Indigenous culture. This will help us to provide improved and engaging programs for the students that link local Indigenous history and culture with our school's teaching and learning.

We invite all Indigenous community members to meet with us in the community room on Thursday 22<sup>nd</sup> September at 11:00am, prior to the school dance performance, for an informal meet and greet and brief discussion about future directions.

Mr Mitch Fealy  
Mrs Kath Harriott  
Coordinators

# Jaqueline Harvey Author Day

Jacqueline Harvey, the author of the Alice- Miranda series of books visited our school last Wednesday. She spoke to the 3-4 and 5-6 classes who were very entertained by her knowledge of writing and the adventures she has had around the world. The children had an opportunity for a question and answer session and asked some very insightful questions. This was followed by a book signing by Mrs Harvey and many children took the opportunity to have their books signed.

Librarian

## 5/6F Class News

### ICT integration

In Term 3, 5/6F have been utilising their technology skills to help teach KH the basic computer skills. Each week students from 5/6F teach KH students how to log on and off a computer properly, improve their typing speed and accuracy, use programs such as Google Docs and Google Slides and how to find information and pictures from the internet and integrate them into their work. 5/6F has shown great leadership qualities throughout the term and both classes have enjoyed working with each other.

## BIMBI PRESCHOOL ENROL NOW TO START 2017

Affordable preschool program at Tolland Public School, to give your child a supported start for Kindergarten.

School hats available - \$7.00

Bimbi T-Shirts - \$15.00 each
