Tolland Public School

School Newsletter

We acknowledge the Wiradjuri people and recognise the strength, resilience and capacity of Aboriginal people in our community.

Dear parents

It is hard to believe that the end of the term is so close. The enthusiasm of the students is still so very evident both in the classrooms and in the playground. The number of activities that staff continue to provide is a credit to their dedication. Preparations are underway for the Mini Fete next Tuesday with the Dance Concert being held on Thursday. Tolland Public School is definitely an exciting place to be each day.

Tell Them From Me - Parent Survey

We hope that many parents take the opportunity to complete the parent survey provided by the Learning Bar. This is an online survey available via a link from the school app or available to complete in the Library each morning or afternoon over the next three weeks (Term 4 Week 2). We really value your feedback and will certainly use the information in future planning. A cup of tea or coffee and biscuits are available for those parents who choose to complete the survey in the Library. As an extra incentive, all parents who complete the survey will go into a draw to win a \$50 voucher from Tolland IGA.

Staff Car park

At Tolland we struggle for car parking spaces. With over 40 staff, our car park capacity is only about half that. Due to this, and to ensure the continued safety of students, we ask that parents do not access the car park to pick up or drop off students (with the exception of those parents utilising the Disabled Carpark). We would appreciate your support with this matter.

Dance Concert

There is only week to go until our Dance Concert next Thursday. I had the opportunity to watch KH practise their dance today. They have done a fabulous job practising their routine and I am sure, once they have their costumes on, the dance will be even better. Please come and join us at 12 noon next Thursday. All families and friends are welcome.

Have a great week.

1/2 E Class News

This Term in Geography, 1/2E have been learning about people, places and things. Each week the students have completed artworks to consolidate their learning. Some of our favourites include paintings of their favourite place, animals from the Amazon, Brazillian masks and Indigenous dot painting.

Seeking Committee Members

As part of our School Plan, under our strategic direction of 'Connecting and Collaborating with Community, we would like to set up an Indigenous Parent Advisory Committee (IPAC). The aim of the committee is to build a stronger relationship between Indigenous parents and the school to inform all involved of up-coming Indigenous events and strengthen our knowledge of Indigenous culture. This will help us to provide improved and engaging programs for the students that link local Indigenous history and culture with our school's teaching and learning programs. We invite all Indigenous community members to meet with us in the community room on Thursday 22nd September at 11:00am, prior to the school dance performance, for an informal meet and greet and brief discussion about future directions.

SAUSAGE SIZZLE COST \$2 PER SAUSAGE

DRINKS AND ICECREAMS WILL BE AVAILABLE TO PURCHASE ON THE DAY.

Staff at Tolland Public have been discussing the qualities that all people need to be active and successful members of our community. As a staff, we were asked to think about our students and special people in our lives who might be heading off on an overseas adventure. We had to decide what personal qualities we would pack into a virtual backpack. The following qualities were identified by staff as important:

Resilience

Optimism

Motivation

Empathy

Resourcefulness

Self worth

Cultural awareness

Citizenship

Self-regulation

Effective Communication

Next term, the staff will be learning more about habits worth developing to help students become successful learners. In particular our focus will be on self-regulation and mindfulness.
