Principal's REPORT

Dear families,

This year the 11th of November marks the 100th anniversary of the Armistice (also known as Remembrance Day) which ended the First World War. Each year on this day Australians observe one minute's silence at 11am, in memory of those who died or suffered in all wars and armed conflicts. The red remembrance poppy has become a familiar emblem of Remembrance Day. These poppies bloomed across some of the worst battlefields of Flanders in World War 1; their brilliant colour became a symbol for the blood spilled in the war. Staff and students will observe one minute's silence this Friday at 11am to mark this solemn occasion.

Preschool and Kindergarten Enrolments 2019.

We are currently taking enrolments for the Preschool and Kindergarten for 2019. If you have a child who is preschool or school age that you would like to enrol please contact the school office as soon as possible.

Enrolling students prior to them beginning school is crucial. This ensures we can allocate funding and staff accordingly.

Staffing 2019

The executive are currently working towards organising the structure of staffing for 2019. There will again be a number of temporary staffing positions, both teaching and non-teaching, that will complement our permanent staff. Once these positions are filled we will inform you through the newsletter in the coming weeks.

Levels Assembly

Another fantastic assembly this morning with so many of our students receiving awards at the levels assembly. It always gives me such a thrill to see the students of Red Hill Public School achieving to the best of their ability.

Have a great week.

Assistant Principal

What's happening in 1-4 Flinders?

1-4Flinders has had a very busy start to term 4. We have improved our swimming skills, learning to float and swim freestyle.

We have also completed many learning tasks about helicopters to coincide with the visit from the helicopter last week. Here are some facts about helicopters that we have learnt

Yhoshie- the pressure of the helicopter coming down makes strong wind.

Madilyn- the helicopter has 6 passenger seats.

Tyler- the helicopter was very big.

Kyson- the driver of a helicopter is called a pilot.

Stage 3 Cultural Day

On Thursday 1st November, Stage 3 and the Unit attended the Walanmarra Gundyarri Culture Day at Bolton Park. Even though it was hot the students had a great day participating in Indigenous games, dancing and learning about the culture and language.

Student comments:-

I enjoyed how we got to get taught the aboriginal dancing. I also enjoyed the DJ because he showed us some dance moves.
Nyekoda

I loved the culture dance because we got to join in. I also loved when we created our painting that we made for the school.
Kyleatia

Yesterday I went to Bolton Park for a Cultural Day. There were indigenous dances and we learnt to count to 20 in Wiradjuri. We also learnt new football skills and there was a dance party with prizes at the end. It was a great day!
Laura

I liked when we got to do the football drills and I liked when we did the spear throwing.
Dustin
